

DILSHAN YAPA

3D GENERALIST

About Me

My name is Dilshan yapa. I'm a 3D Generalist / VFX & motion graphics artist from Sri Lanka.

Since I was a child, I was fascinated by the Iron Man and Avatar films. And the **fascination** drove me to become a professional 3D artist. And I have been learning and honing my skills since then.

My vivid **imagination** has always helped me to come up with new and amazing ideas.
